

DOLLE NORMANDIE

1/4 RIGHT TURN SPACE SAVING STAIR

DOLLE Normandie space saving stair of solid spruce with steps supported by sidepieces. If the spruce color is not in line with your interior, it can be painted in all the colors of a rainbow. Also in the children's room, you can benefit from the stairs. You walk steadily and safely on the solid steps that have a comfortable 19 cm tread. Also the sidepieces and handrail are in spruce.

Untreated and ready to varnish, stain or paint.

Available with 14 treads: straight flight, quaterturn right or left and with or with out risers.
